

Cory Kosche, MD

EDUCATION AND TRAINING

University of California, San Francisco
Fellow, Mohs Surgery and Dermatologic Oncology

San Francisco, CA
July 2024–June 2025

University of California, San Francisco
Resident, Dermatology
Chief Resident (2023-2024)

San Francisco, CA
July 2021–June 2024

Kaiser Permanente, Los Angeles Medical Center
Preliminary Intern, Internal Medicine

Los Angeles, CA
July 2020–June 2021

Rush Medical College at Rush University
Doctor of Medicine (MD)
AOA Medical Honor Society

Chicago, IL
September 2015–May 2020

Northeastern University
Bachelor of Science (BS), Behavioral Neuroscience
Summa Cum Laude

Boston, MA
September 2010–May 2014

LICENSURE AND BOARD CERTIFICATION

California Physician and Surgeon License (Active)
Diplomate, American Board of Dermatology (Board Certified 2024)

SOCIETY MEMBERSHIP

American Academy of Dermatology
American Society for Dermatologic Surgery
American College of Mohs Surgery
Gay and Lesbian Dermatology Association
Skin of Color Society

AWARDS AND SCHOLARSHIP

Alpha Omega Alpha (AOA), Rush Medical College Chapter, 2020
Melanoma Research Foundation Research Grant, 2019
June Robinson Poster Competition, 1st place, Illinois Dermatologic Society, 2019
American Academy of Immunology Young Investigator Award, 2018

LEADERSHIP EXPERIENCE

UCSF Dermatology
Chief Resident, April 2023–April 2024
Social Media Chair, April 2022–April 2023

American Academy of Dermatology, Sexual Gender Minority Expert Resource Group
Resident Representative, July 2021–June 2022
Medical Student Liaison, March 2019–July 2020

RESEARCH EXPERIENCE

Predocctoral Research Fellowship

Northwestern University, Dermatology

PI: Jennifer Choi, MD; Caroline Le Poole, PhD; June Robinson, MD

Conducted research in supportive oncodermatology and immune checkpoint inhibitor associated skin rash

Performed both clinical trial coordination and bench lab immunohistochemical research

Chicago, IL
May 2018–April 2019

Research Assistant

Center for Noninvasive Brain Stimulation,

Beth Israel Deaconess Medical Center

PI: Alvaro Pascual-Leone MD, PhD

Utilized transcranial magnetic stimulation to assess and modulate neuroplasticity as a full-time research assistant

Boston, MA
January 2012–June 2012
